OmniSource Corporation Announces Additions to its Management Team

Fort Wayne, Indiana, May 7, 2010: OmniSource Corporation, headquartered in Fort Wayne, Indiana, is pleased to announce the following additions to its ferrous and nonferrous teams.

Shane Smith has joined OmniSource as the Northern Indiana Division Manager in Fort Wayne. Most recently he was the Vice President of Commercial Operations with River Metals Recycling in Louisville, Kentucky, where he managed 13 yards and was responsible for scrap marketing and processing. A graduate of Purdue University, Shane previously worked for Commonwealth Aluminum and Metal Exchange Corporation.

Stan Davis has joined OmniSource Southeast as Plant Manager at the Smithfield, North Carolina operation. Stan has over 18-years scrap industry experience, most of which were with Commercial Metals Company where he served as Area Manager for yards in Florida and South Carolina. Stan is a graduate of the University of South Carolina.

Larry Kraynik, most recently from Miller Compressing Company in Milwaukee, Wisconsin, has joined OmniSource's Nonferrous Division in Fort Wayne. Larry's diverse nonferrous metals background will be utilized in the procurement and trading areas. Larry's previous experience includes positions with Commercial Metals Company and Wabash Alloys. Larry is a graduate of Purdue University.

Mark Millett, OmniSource President and COO, commented, "We are very excited to have three industry veterans join OmniSource. Shane, Stan, and Larry are important additions to our management team, which we believe to be 'The Best in Metals Recycling.'"
